

# Deuster 'boyant' over drinking age

by ROGER RUTHBART  
Managing Editor

After a full day of meeting with advocates of raising the drinking age in Wisconsin, Illinois State Rep. Donald Deuster (R-Mundelein) says he is confident that Wisconsin will raise its drinking age.

Deuster was the featured speaker at a conference sponsored by the Coalition For Raising The Drinking Age, held Oct. 7 in Madison.

Deuster was asked to explain the process Illinois went through in raising its drinking age and the problems and questions that Illinois legislators had to address.

Deuster said he had meetings with candidates and legislators and he added that the

media responded well to the conference. Most of the sentiment is toward raising the age to 21, although some think an increase to 19 would be sufficient.

"I'm boyant about the chances of Wisconsin raising the drinking age and I've been telling them to go for 21," said Deuster. Those who favor only raising it to 19 feel that way because of the drinking age in Iowa and Minnesota, he said.

Deuster said that the most populated borders are those with Illinois and Michigan. "I'm telling them to go for 21 and shift the responsibility to Iowa and Minnesota," said Deuster.

The state rep, now seeking election to the Illinois senate, said there is a strong parallel

between the Wisconsin situation and what preceded Illinois raising the drinking age.

"In Illinois it was an issue in the '78 election, was brought before the legislature in 1979 and made law, and took affect in 1980," said Deuster.

"I talked with a lot of employees in the capital and they said the people of Wisconsin favor a raise in the drinking age, it's the legislators who are dragging their feet," Deuster explained. "They've (people) made it an issue in this election and I think, just as we saw in Illinois, you'll see the age raised after the new legislature is in office."

Deuster said he told everyone that "19 won't do the trick."

"You have boys who might be over 19, but

date younger girls. Generally there's a two year spillover. The drive is to get it out of the high schools and you won't accomplish that unless you raise the age to 21," said Deuster.

"I'm convinced that Iowa and Minnesota will respond," he added.

Deuster said there will also be a strong move, after the elections, to hold periodic legislative conferences involving legislators from northern Illinois and southern Wisconsin.

The forum would allow representatives of the two states to discuss common issues such as the drinking age, flood control, water pollution and tax differentials.

"We have so much in common but no forum for us to share ideas," noted Deuster.

## Supermarket to open Oct. 20

# Food, glorious food coming

BY GLORIA DAVIS

Antioch's six-month supermarket slump which left an area whose summer population has been known to swell by 20,000 people, with only one independent supermarket and several small grocery stores, is slated to be

relieved on Wednesday, Oct. 20.

At 8 a.m. that morning, the new Best Value Foods, Inc. supermarket will officially open its doors in the old A&P building in Antioch Shopping Plaza.

The food corporation is a new one, having

opened its first supermarket in Chicago two weeks ago. Its home office is also located in Chicago.

According to General Manager Berndt Petersen, the company has been formed by people who have been in the grocery business for a long time. Petersen quoted 26 years of employment with food firms that include A&P and Hillmans.

Petersen said that Best Value had acquired the lease to the closed A&P store from Scot Ladd, Inc., a wholesale food supplier. The supermarket in Antioch will be purchasing stock from Scot Ladd.

Best Value applied to the village for a restaurant license on Wednesday, Oct. 6, and immediately activity began in the closed store. Tradesmen, many local, swarmed all over the premises, electrical, cleaning etc., to get the place ready for the grand opening on Oct. 20.

"We will be employing approximately 90 people in the store's operation, many area residents," he added.

Robert Butkas, who has been in the grocery business for 15 years, will be the store's manager.

Even as he spoke, the lines were forming in front of the application desk. Petersen also said that, "The people of Antioch are going to receive food service like never before," by what he called a good all-around supermarket, "with reasonable prices."

Meanwhile, back at the intersection of Rtes. 173 and 59, the Jewel-Osco construction is speeding ahead. Don's Drive-In has buckled under the nose of the bulldozer (the fourth building to do so), footings are in and above ground construction is becoming evident.

4-H HANDIWORK SALUTES WEEK — Local 4-H'ers have sewing display in window of Erickson's Sewing Center. Kelly Cain, 11, rear, and Jennifer Jablonski, 11 adj. just display that salutes National 4-H Week. — Photo by Gloria Davis.

## Good news in The News

### Cans for Kings

The four Good News Clubs in Antioch are collecting aluminum cans to raise money for the Kings, long-time missionaries in Israel.

Everyone is asked to save cans for the clubs.

For information call Pat. (312) 395-5979, or Lorie. (312) 395-3044.

Kids of any background are welcome to join the Good News Clubs, the world-wide Child Evangelism Bible Clubs. Adults are welcome to visit.

Meetings resumed in October. Call the above numbers for the four locations.

### Slate fall concert

On Thursday, Oct. 14, the A-Cappella Choir will present its annual fall concert at 7:30 p.m., in the Antioch High School auditorium.

As in the past two years, this opening concert will be open to the public and no admission will be charged.

A feature of the evening's performance will be an American Shaker Song, "Simple Gifts," with piano, violin and cello accompaniment and "The Prophecy of Joel," with choral reading.

Mike Krausser will perform on the guitar as another highlight of the evening.

## Channel Lake resort hurt by vandalism

There is one Antioch area resort owner who is not only completely disenchanted with some of the residents of Channel Lake, but also with the service she has been receiving from the Lake County Sheriff's Dept.

Vi Johantgen, owner of Vi's Yellow Bird, on Rte. 173 said, "I used to love Antioch but after what's been happening to my business for the last two years, I wish I could get out of here." Johantgen claims that "a bad element has moved into the Channel Lake

area." She said that no matter where her customers park their cars they risk them being damaged. Even the addition of a bright mercury light in the parking lot doesn't seem to have deterred the vandals.

On Saturday, Oct. 2, two of the Yellow Bird's good customers, Esther and Leonard Toeper, stopped to say goodbye on their way north. They were only in the lounge from 10:30 to 11:30 p.m. and came out to find their van, not only

## County wants flow study before HOD moves dirt

by GLORIA DAVIS

According to Al Little, the Lake County Board has asked Waste Management, Inc. for a flow study before they move any land on the 30 acre tract that the disposal company has designated for the controversial landfill expansion.

Little said that Waste Management had applied to the county for a permit to allow them to remove the top soil from those acres, stock-pile it, dig for clay and remove it and replace the top soil, prior to reseeded.

The clay was slated for use covering the

operating landfill site that is scheduled for closure within a year.

Little said, "The way the land is laid out, it has three ridge lines, one running east to west, another running perpendicular to that ridge and one running north and south."

"Now the water and melting ice and snow run off of that land in a south to west direction, also some in an eastward and some in a westward direction."

The flow skirts around the land and eventually ends up in Sequoit Creek," he said.

(Continued on Page 8)

# Scout troop 92 honors three civic organizations

The Boy Scouts and leaders of Antioch's Boy Scout Troop 92 awarded certificates of appreciation to representatives of three Antioch civic organizations for their support of the troop's summer camp-out.

Receiving the certificates were Wally Rybicki of the VFW, Jim Page of the Moose and John Wolf of the Antioch Lions. Presenting the awards were Scout Committee

Chairman Harold Clark and Scoutmaster Bernie Dost.

The Scouts attended the Camp Owassippe Scout Reservation near Muskegon, Mich., for two weeks this summer. While there, Scouts worked for merit badges in such areas as swimming, fishing, mammals, rowing, basketweaving and reptiles. In addition, the boys attended special outposts that taught skills in survival, logging, sailing, fishing, hor-

seback riding and scuba diving.

Each week, the troop took a 20-mile canoe trip down the meandering White River. Troop 92 received the Baden-Powell award for improving their campsite.

Attending Camp Owassippe were Scouts Mark Aschbacher, Doug Barr, Brian Clark, Dale Gade, Phil Hettich, James Koci, John Lundgren, Bob Pasckhe, Ron Rock, Frank Zeien, Alec Kaufman and Greg Visee. The leaders who attended for one or two weeks included Dost, Clark, Dave and Don Gade, Ron Rock and Paul Hettich.

Troop 92 is making extensive preparation for their annual All-You-Can-Eat Kids-Eat-Free Spaghetti Dinner held at the Moose Hall on Sunday, Oct. 17, from 11 a.m. to 7 p.m. Tickets are \$2.75 and will be on sale at the door.

AWARD THREE — Boy Scout Troop 92 presents awards to representatives of three local civic groups in thanks for support from organizations of troop's summer camp-out. Presenting awards are Harold Clark, Scout committee chairman, left and Scoutmaster Bernie Dost, right. Receiving awards are, Wally Rybicki of VFW, second from left, Jim Page of Moose, center and John Wolf of Antioch Lions.

## Wedding

### Mr. and Mrs. Steven Keisler

Patricia Anne LaParr, Antioch, married Steven Paul Keisler, Arlington Heights, on Sept. 11 at St. Gilbert Church, Grayslake.

Parents of the bride are Robert and Marguerite LaParr, Antioch. Parents of the groom are Elmer and Jeannette Keisler, Antioch.

Maid of honor was Geraldine Jendryczka with bridesmaids Dana Domerchie and Jeanine Cardis, sister of the groom.

Best man was James Granahan with groomsmen John Cardis and Terry Spizzirri. Ushers were Terry Spizzirri and John Cardis.

A reception was held at Olde Stratford Hall in Grayslake. A honeymoon was taken to Toronto, Canada.

Both are graduates of Antioch Community High School. She works for CFM Insurance, Arlington Heights. He works for Sparks and Associates, Arlington Heights. They are living in Arlington Heights.

## Mail early in day

In order to improve service to the residents of the Antioch area, Postmaster Mary Ann DeRemer is asking for cooperation in helping the Antioch Post Office solve the problem of "taking a letter to brunch."

Early evening mail volumes have always been a problem at the post office. Due to the late deposit of the major portion of the mail, the post office has a limited time frame to process it. An earlier deposit enhances the post office's capacity to process this mail and connect with scheduled transportation.

"Any mail that you can deposit early in the day will assist us in improving our efficiency and service to you," said DeRemer.

Mail deposited by 11 a.m. can be collected, processed and dispatched before the 5 p.m. crunch.

Mail that is deposited in the out of town box in front of the post office or inside the post office is dispatched on this 11 a.m. truck. "This is especially important to your time sensitive mailings," said DeRemer.

## Carmel plans Classic

On Sunday, Oct. 17, the Carmel High School Booster Club will sponsor the first annual "Carmel Classic" 10,000 meter run.

The race will begin at 8 a.m.

All runners are asked to assemble in the school parking lot on the south side of Rte. 176, across from St. Mary of the Lake Seminary.

Race packets may be picked up beginning at 7 a.m.

Advance registration is \$5 and \$6 on the day of the race.

Each participant will receive a t-shirt and awards will be presented to the top three finishers in each class.

In addition special trophies will be presented to the top male and female overall finishers.

Both men and women will compete in the following groups: under 15, 16-19, 20-29, 30-39, 40-49, and 50 and over.

For route information and a registration blank, contact the school at (312) 566-4080 or Don Wichlin, Booster Club president at (312) 362-4736.

# Ethnic food 'Footlights' feature

Although St. Peter's benefit show, "Footlights", has been promoted mainly with an accent on the first class entertainment and fun, it must be mentioned that patrons will be able to enjoy an excellent choice of authentic ethnic dinners as well as traditional western-style fare and an assortment of delectable desserts and magnificent "munchies".

German mood music and vocal presentations will help create the Bavarian-style atmosphere in "Unter Den Linden", a beer garden restaurant which will offer authentic German cuisine with choices of roast pork, thuringer or bratwurst dinners, complete with German-style potato salad or boiled potato, sauerkraut, and bread with butter. Apple strudel will top off the German feast!

One may choose to let the "barkeep" rustle up some "vittles and red eye" in "Calamity's Saloon." Included on the menu for this restaurant/saloon will be: "Wild Bill's Bar-B-Q," "Sloppy Janes," "Marshall Willie's Red Hot Chili" and "Nellie Bell's Nachos and Cheese." Patrons can enjoy the sounds of singers Ann Vaughn and Jenny Knourek and honky-tonk pianist Bob Strom. And dance hall girls will surely enhance the old west flair in "Calamity's".

For those who would enjoy a lighter fare, the main show lounge, "The Palace," will offer a "make your own" salad bar with fresh greens and a wide variety of condiments. A spectacular musical revue, under the direction of Antioch's own Ken Smouse, will offer patrons a number of fine musical selections.

If it's a sweet tooth patron's are out to fill, "A Taste of Heaven" brings an assortment of delectable desserts, all homebaked specialties, to the setting of a quaint French cafe. Eclairs, tarts, Belgian waffles, cheese cakes and pies are just a few of the heavenly delights awaiting them.

Also offered will be a variety of "munchies" in several entertainment centers — potato skins and Irish coffee in "Kelly's Pub"; hot egg rolls and fortune cookies in "M\*A\*S\*H"; and hot apple cider and donuts in "Country Is — Havin' A

GoodTime". A selection of cocktails, beer and non-alcoholic beverages will be served throughout the "Footlights" entertainment areas. All food and beverages will be available at a nominal extra cost.

The doors will open each evening at 7 p.m.

Admission tickets for Thursday, Nov. 4 are \$5 now \$7 at door; for Friday/Saturday, Nov. 5/6 they are \$7 now \$9 at door.

They are on sale now at St. Peter Parish and all three

Antioch financial institutions. The discounted advance sale tickets will be on sale until Nov. 1.

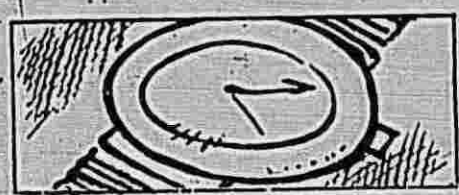

All proceeds will benefit St. Peter Parish. Call St. Peter Rectory at (312) 395-0274 for further information or to order tickets by mail.

## Spookiest visit yet

The autumn colors are bringing the monsters out in the Antioch Jaycees. Their very popular haunted house is now under construction in the State Bank parking lot garage.

A sordid assortment of monsters, that are guaranteed to send chills up your spine, will be in the garage every evening from Friday Oct. 22 through Halloween. Opening time will be 7 p.m.

This year's haunted house promises to be the most frightening yet.

The jewels in a jewel watch are usually rubies or sapphires.

## INSIGHT INTO EYESIGHT

Dr. R. A. Sona,  
OPTOMETRIST

### MACULAR DEGENERATION

The macula is a small area at the back of the eye that's responsible for fine or distinct vision. When the macula degenerates, there's a loss of central vision, you can't see things directly as well as you used to. All you get is a blur.

Your side vision or ability to see clearly around an object may still be good. But the object itself is out of focus.

Macular degeneration is one of the major causes of visual disability among older people. It's the result of damage to the blood vessels that nourish the retina, the nerve network at the back of the eye that sends images to the brain. But, help may be available.

If the condition is treated early enough, you may benefit from photocoagulation. In this procedure, an intense beam of light from a laser is used to seal off or "coagulate" the affected blood vessels. You can also benefit from the many low-vision aids available, such as high-intensity reading lamps and stronger eyeglasses or bifocals. The key phrase is "treating it early enough".

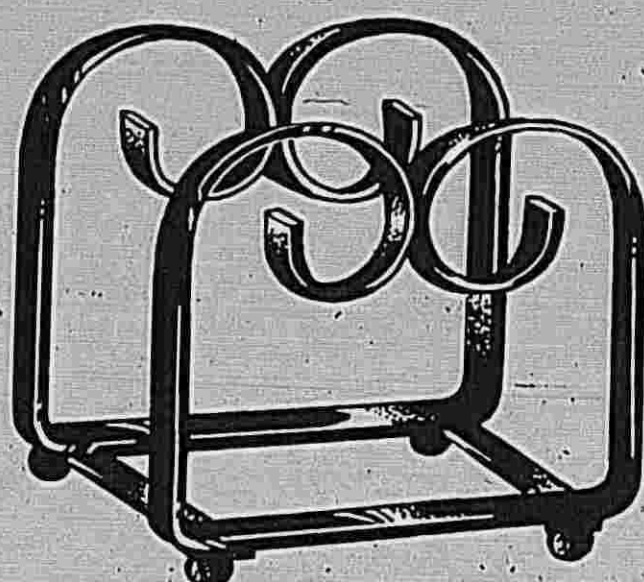

R. A. Sona, O.D.  
800 N. Main Street  
Antioch, Illinois

# News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

## The Time Machine

## When i think about it Speed, Smash, Crash replace Rock, Rip, Tab

by GLORIA DAVIS

Have you noticed that the latest stars to sparkle across the TV screen aren't crowned with wild platinum tresses and their measurements are more ample indeed than even those of Loni Anderson? Besides that they move much faster than the Love Boat or Fonzie's motorcycle.

This season, at prime time, on almost any channel, their sleek shiny shapes can be found flying across the boobie tube; sometimes right-side-up, sometimes upside-down; sometimes miraculously landing safely but often crashing in a ball of flames.

Behold the star of the '80s, the speeding, wildly careening, often airborne automobile!

And we wonder why our children are speeding, smashing and crashing in droves!

How perverse is our social thinking when our legislators and law enforcement agencies are spending much time, and a lot of the taxpayers' money, in writing, passing and enforcing new laws to govern the safety of our roads while this new idol is being raised.

Yet every week we pay homage to two country boys whose shenanigans on their country roads make Evil Knievel look like grandpa puttering in his Model A.

The proven effect of their example was shown last Christmas when any toys stam-

ped with the Dukes of Hazard logo were the nation's top sellers.

And we wonder why ----!

One of last year's top movies featured scenes where the Blues Brothers led their own demolition derby through the streets of Chicago and Milwaukee.

Then we have "Smokey and the Bandit," or any one of the dozen or so TV vehicles that feature the wholesale smashing of fleets of police squad cars as "comedy relief."

And we wonder why ----!

And now the new TV season heralds the advent of a new fast flying star, "The Knight Rider." This one features a dark shiny space-like vehicle whose antics far outshine those of 007's car of "Goldfinger" fame. The opening show had the driverless "star" crashing through a jail wall to release it's owner.

The scary thing here is that this is no off-the-wall dream car, but one to be found in the local auto showrooms, sans it's extra added attractions that include an ejection seat.

And we wonder why our children, and many adults, are speeding their lives away!

Have our TV sets become the modern Roman Coliseums and by constantly being brain washed by this mechanical mayhem are we feeding ourselves to the lions?

## Along the way with ANNIE MAE

Old Annie Mae was looking at back Antioch News issues and came across a definitive article in a copy of the one from Feb. 1, 1940.

The article gave perfect definitions of all the "isms," ones that still pertain over 40 years later.

Socialism is having two cows and giving your neighbor one of them.

Nazism is having two cows and giving them both to the government.

Fascism is having two cows, giving the government the milk, and the government in turn sells the milk back to you.

Under Communism, you have two cows and the government shoots you and takes the cows.

If you practice capitalism, you sell one cow and buy a bull and start a herd.

I wonder what they call it when the government shoots one cow, milks the other one and pours the milk down the sewer? Is it Americanism or better, free enterprise?

I see where two local politicians have hit the party trail. Dan DeFoss, candidate for the 12th Congressional Dist., is sponsoring a dinner-dance to support his candidacy, on Sunday, Oct. 17, at the Country House Restaurant.

Cocktails start at 4 p.m., dinner at 5 p.m., to be followed by dancing to the music of the Music Corporation. The \$25 per couple tickets are available at the restaurant or by calling (312) 395-4600.

Then Dan Mason, candidate for Lake County Sheriff, is having a coffee in his honor at Ron and Pat's Pizza Shack, on Deep Lake Rd., from 2 to 6 p.m., on Wednesday, Oct. 13. Donations accepted at the door.

I was thrilled to see all the activity at the old A?P in the Antioch Shopping Plaza. It's wonderful to see people in line applying for jobs and the flurry of people cleaning, polishing and stocking the new Best Value Foods Supermarket in preparation for its opening on Wednesday, Oct. 20.

Congrats to Antioch's military sons: Donald J. Hansen, son of Stanley and Helen Hansen, who is stationed in Wuerzburg, West Germany, and has just been promoted to the rank of staff sergeant in the U. S. Army; to Torsten Kluge, son of Mr. and Mrs. Gerhard Kluge, a cadet student at the University of Illinois, who has just completed a U. S. Air Force ROTC field training encampment at Charleston Air Force Base, S. C.; to Army Pfc. Charles Gliniewicz, son of Debbie Gliniewicz, who

is participating in army "Reforger" and The U. S. Air Force Crested Cap exercises in Europe.

Don't forget the spaghetti dinner to be sponsored by Antioch's Boy Scout troop 92, from noon to 7 p.m., on Sunday Oct. 17, at the Antioch Moose Lodge on Main St.

There will be games and prizes too, and the donation for a ticket is \$2.75 for adults, children under six will eat for free.

They tell me that Antioch Schwinn Cyclery has donated the top prize of a BMX bike.

Here's some news about Antioch's college kids. Sue Berndt has just pledged the Chi Omega Sorority at Iowa State University in Ames, Ia.

Tami Sue Tyson, home economics student at Illinois State University, Normal, was honored for achievements in that field at an awards program at the college.

Good luck to Susan Faith Butler who is a freshman drama student at Illinois Wesleyan University.

And my spies tell me that Steve Jennrich is a defensive lineman on the Bluejays, the Elmhurst College football team.

## Memory Lane

### FIFTY YEARS AGO: Oct. 13, 1932

Eight thousand people attended the biggest country fair ever held in Antioch.

An army of state and federal game wardens were out in the Lakes Region for opening day of hunting season.

A recent farm survey showed that 11 percent of American farms were now being served with electricity.

The National Food Store was advertising sugar, four pounds for 44 cents and bacon for 22 cents per pound.

The Antioch News, The Grayslake Times, The Libertyville-Mundelein Shopper, The Wauconda Leader and The Waukegan Journal, all published by different publishers, banded together in an editorial alliance that would be an offensive and defensive one for the benefit of all of Lake County.

This policy called for the closer scrutiny of all public expenditures in order to lower taxes; cooperation with all honest public officials in the discharge of their duties; a direction of attention to Lake County as a good place to live and work.

### THIRTY YEARS AGO: Oct. 1, 1952

Sixteen Antioch and Lake Villa youths were arrested after a motorcade race through Lake and McHenry counties, wrecking one car while peppering houses they passed with milk bottles and tomatoes.

The "Story of Will Rogers," starring Jane Wyman, was playing at the local theater.

An editorial in the News called for presidential candidates, Dwight Eisenhower and Adlai Stevenson to stand against socialism and political dictation of American's lives and every form that it might take.

There was discussion among Channel Lake parents as to whether or not they could hold a PTA charter under the name of the Channel Lake Community Club.

### TEN YEARS AGO: Oct. 11, 1972

B. J's Men's store came to Antioch and Stanley's Men's Store and the Shoe Box opened in the Antioch Shopping Plaza.

Mike Geiger completed basic training at the U.S. Army center in Louisiana.

The Grayslake 11 swamped the Sequoias, 28-0.

Tony Starcevik and Jim Koppa led the Jaycee United Fund kick-off.

Mrs. Gloria Holbert was president of the Antioch Grade School PTA when they were planning the annual parents open house.

The State Bank of Antioch ran its annual pumpkin decorating contest.

### WINDOW TREATMENTS

A free workshop demonstrating ways to insulate windows to be attractive, yet energy efficient, will be held Tuesday, Nov. 9, from 1 to 3 p.m. and again from 7 to 9 p.m., at the Lake County Cooperative Extension Office, 33020 N. Hwy. 45, Grayslake. Training will be given by Marge Erickson of Erickson's Fabrics, Antioch and Barbara Dahl, Lake County Energy Coordinator. Pre-registration is required for the workshop.

"A newspaper dedicated  
to people marching  
to their own drummers."

# Theme contest to generate interest

Lakeland Newspapers will once again participate in the annual Toys For Tots Christmas drive in conjunction with the U.S. Marine Corps Reserves.

The newspaper group has also announced rules for its annual Christmas Theme Contest, sponsored each year in conjunction with participating merchants.

Once again this year the

contest is planned to help promote and benefit the Toys For Tots drive. Contest participants have from now until Nov. 26 to submit entries in the annual Christmas Theme Contest. A toy donation with entries is requested.

Once again this year, Lakeland Newspapers offices in Antioch, Grayslake, Fox Lake, Wauconda, and

North Chicago will serve as drop off points for the Toys For Tots drive.

This year's contest will feature prizes in three different age groups.

Entries in Group I, ages five to eight, should draw a picture depicting "Christmas At My House," using crayons, markers or pen on a regular sized sheet of paper.

Entries in Class II, ages 9 to 13, should write a theme, 500 words or less following the theme of "The Meaning of Christmas Giving."

The third category, Class III, ages 14 to adult, should be a theme, 500 words or less stating "What Christmas Giving Means To Me."

One grand prize will be awarded along with first, second third place prizes in each category.

All entries must have name, address, town and category entered and phone number on the entry. Themes and pictures will not be returned to participants and all entries become the property of Lakeland Newspapers.

Decision of the judges will be final and judging will be

based on originality, creativity and neatness of presentation. Entries to the contest must be appropriate to the theme. Winners will be notified by mail.

Winners will be published in Lakeland Newspapers issues of Dec. 9. All entries must be postmarked no later

than Nov. 26 and sent to Lakeland Newspapers, Box 268, Grayslake, Ill. 60030.

However, entrants are urged to drop off entries at one of the five Lakeland Newspapers offices and include a toy donation to Toys For Tots along with their contest entry.

Round Lake, Illinois — (312) 546-0968

# Three awards nights to fete local racers

Three awards nights are scheduled to honor drivers who participated at Wilmot Speedway and Lake Geneva Raceway this season.

The annual Toft Auto Racing (TAR) "Night of Champions" is planned for Friday, Oct. 29 at Eddie's Wonder Bar in Twin Lakes, Wis.

Cocktails will be at 7 p.m. with dinner at 8 and dancing

to "Rise" from 9 p.m. until 1 a.m.

ADVANCE tickets for the limited seating are available at \$10 each from Toft Auto Racing, 275 Harden, Antioch, IL 60002 or phone (312) 395-7353.

Wilmot champions to be honored are Whitey Harris of Lake Villa-late model, Gib Wiser of Neosho-super-modified, Fred Zack of Glen-

dale-modified and TAR modified, Jim Zwirgdsas of Paddock Lake and Chuck Ostergaard of Antioch-co-champions late model sportsman, Bob Fleming of McHenry-spectator-hobby stock and Jeff Zarnstorff of Wilmot-TAR spectator-hobby stock.

Lake Geneva champions include Roger Otto of Burlington-late model,

Larry Kahlke of Lake Geneva-hobby stock, Norb Strom of Racine-mini-stock and Zack-modified.

The Lakeland Newspapers "Driver of the Year" award will also be made.

THE MODIFIED Racing Assn. (MRA) awards night-dinner-dance will be Saturday, Oct. 23 at Antioch VFW on North Ave. in Antioch.

Tickets are available from MRA members.

The Interstate Racing Assn. (IRA) awards night-dance also honoring drivers from Beaver Dam Raceway will be Saturday, Nov. 13 at South Hills Country Club in Franksville, Wis.

Advance tickets are available from IRA members.

The fifth annual BARS

racing Show is scheduled March 23-27, 1983 at Lakehurst Shopping Center in Waukegan.

There is no entry fee for racing vehicles with both oval and drag racers invited.

Persons interested should contact Mike Babicz at 1620 Sunset Ave., Apt. 212, Waukegan 60087 or phone (312) 623-3740.

## Unique Weight-Loss Plan Transforms 166-Pounder into Petite Size 3 After "Astonishing" 63-Pound Hunger-Free Loss.

By Don Davis,  
Special Writer

The way Cheryl Schaefer describes it, it was like carrying a 60 pound load on her back 24-hours a day — quite a heavy burden for someone who is less than five feet tall.

"Nutri/System literally lifted a burden from my shoulders," Cheryl says. "I lost 64 pounds at Nutri/System! It really changed my life in many ways."

Cheryl says she looks like a totally different person, and she feels like a different person.

The change in her appearance is dramatically illustrated by her "before" and "after" photos. The diminutive midwesterner was as broad as she was tall when she arrived at Nutri/System weighing an unhealthy and unsightly 166 pounds. In fact, the burden of those extra pounds made her appear older than actual years. Cheryl is only 25.

At a healthy 103 pounds, Cheryl appears petite, perky, pixie-like and years younger. It's an astonishing change. People who knew her well often fail to recognize Cheryl.

"I've had friends stare at me for hours. They just can't believe the change," she says.

The loss of those 64 pounds marks the beginning of a new life for Cheryl and the end of her constant fight to lose weight. "It seems like I've been overweight most of my life," she says. "I tried a million diets, but nothing worked until Nutri/System. If I was lucky and lost 10 or 15 pounds, I'd always gain it right back. I tried water diets, high-protein diets, doctors' diets, fad diets. Nothing worked."

"My mother was my inspiration for Nutri/System. She discovered it through a newspaper ad and she lost about 50 pounds. One day I just decided I didn't like myself anymore. I had to lose weight. I was determined."

Nutri/System offered Cheryl a program that was different from anything she had tried in the past. She would have the assistance of a team of experts. All her food would be provided by the Center, eliminating all dieting decisions. Best of all, Nutri/System promised to change her eating habits, so that her weight loss would be permanent.

Nutri/System offers a safe, medically-supervised plan that

Not quite 5' tall and weighing 166, Cheryl Schaefer was as broad as she was tall and looked much older than her 25 years.

uses no drugs, pills or injections. It's a plan that guarantees quick, lasting results.

"I enjoyed the food," Cheryl says. "I can truthfully say, I was never hungry a day with Nutri/System. And I lost at a steady rate. It was very constant. Every week I lost at least three pounds and one week I lost six pounds."

The Nutri/System program begins with setting a weight goal. Each client is evaluated on an individual basis with the help of the Center's own computer program. The computer helps pinpoint a healthy attainable weight goal and even predicts how long it will take to lose the excess poundage.

As people vary, so do their weight losses. Nutri/System evaluates each client to insure maxi-

mum weight loss in a minimum amount of time. And the Center provides a written guarantee that the weight will be gone in the predicted time or the client remains in the program at no extra charge for Nutri/System services until all the pounds are lost.

Cheryl, who works as a restaurant manager and knows quality foods, says she really enjoyed Nutri/System's own line of easy to fix meals. "I enjoyed most everything," she says, "particularly the pancakes, barbecued beef and hot chocolate."

"The convenience of just opening a package or can and being able to eat immediately really appealed to me," she adds. "I'm tired after work, and I don't want to spend a lot of time in the kitchen."

After completing her Nutri/System program, Cheryl is thrilled at her 103 pound weight, says confidently "I know that I'll never be heavy again!"

Cheryl says she liked some Nutri/System foods so much that she intends to incorporate them into her normal diet even though she has completed the dieting phase of the program.

Clients choose from a wide variety of tasty main dishes. There are meat, seafood and chicken specialties and some surprising items found on no other diets. Imagine low-calorie chocolate cupcakes and real spaghetti and meatballs on a diet menu!

An integral component of Nutri/System's total program are weekly behavior education classes — small group sessions led by qualified instructors where clients learn to make changes in their eating habits and patterns to keep the lost pounds from returning.

"In my opinion this is the most valuable part of the program," Cheryl says. "Nutri/System is not just a diet that says you will lose X amount of pounds in so many weeks. It teaches you to think like a thin person."

"If you don't make life-time changes in your eating behavior and life-style, it doesn't make any difference how much weight you lose. You'll always gain it back. This is where Nutri/System has it over any other program," Cheryl adds.

"I know that I'll never be heavy again," she says. "I found out that I turned to food out of boredom or frustration and I had bad eating habits. Now I think of food as just food."

To insure that clients never

regain the lost pounds, Nutri/System provides a year-long maintenance program of support, classes and monitoring. Cheryl has just entered the maintenance phase confident that she has changed her eating habits for good. The Center's staff is there with support and advice if she should run into any problems.

One aspect of the Nutri/System program which should not be overlooked is the examination from the Center's licensed physician. The Center's staff of nurses keep a close watch on the client's progress and health throughout.

Cheryl says her health has never been better. "I'm on my feet at work 10 hours a day. I was killing myself. I hate to think what would happen if I remained heavy."

"Since I lost the weight, I have enormous amounts of energy," she says. "I started long distance walking for fun. I do about five or six miles a day. Before, I'd never be able to do that."

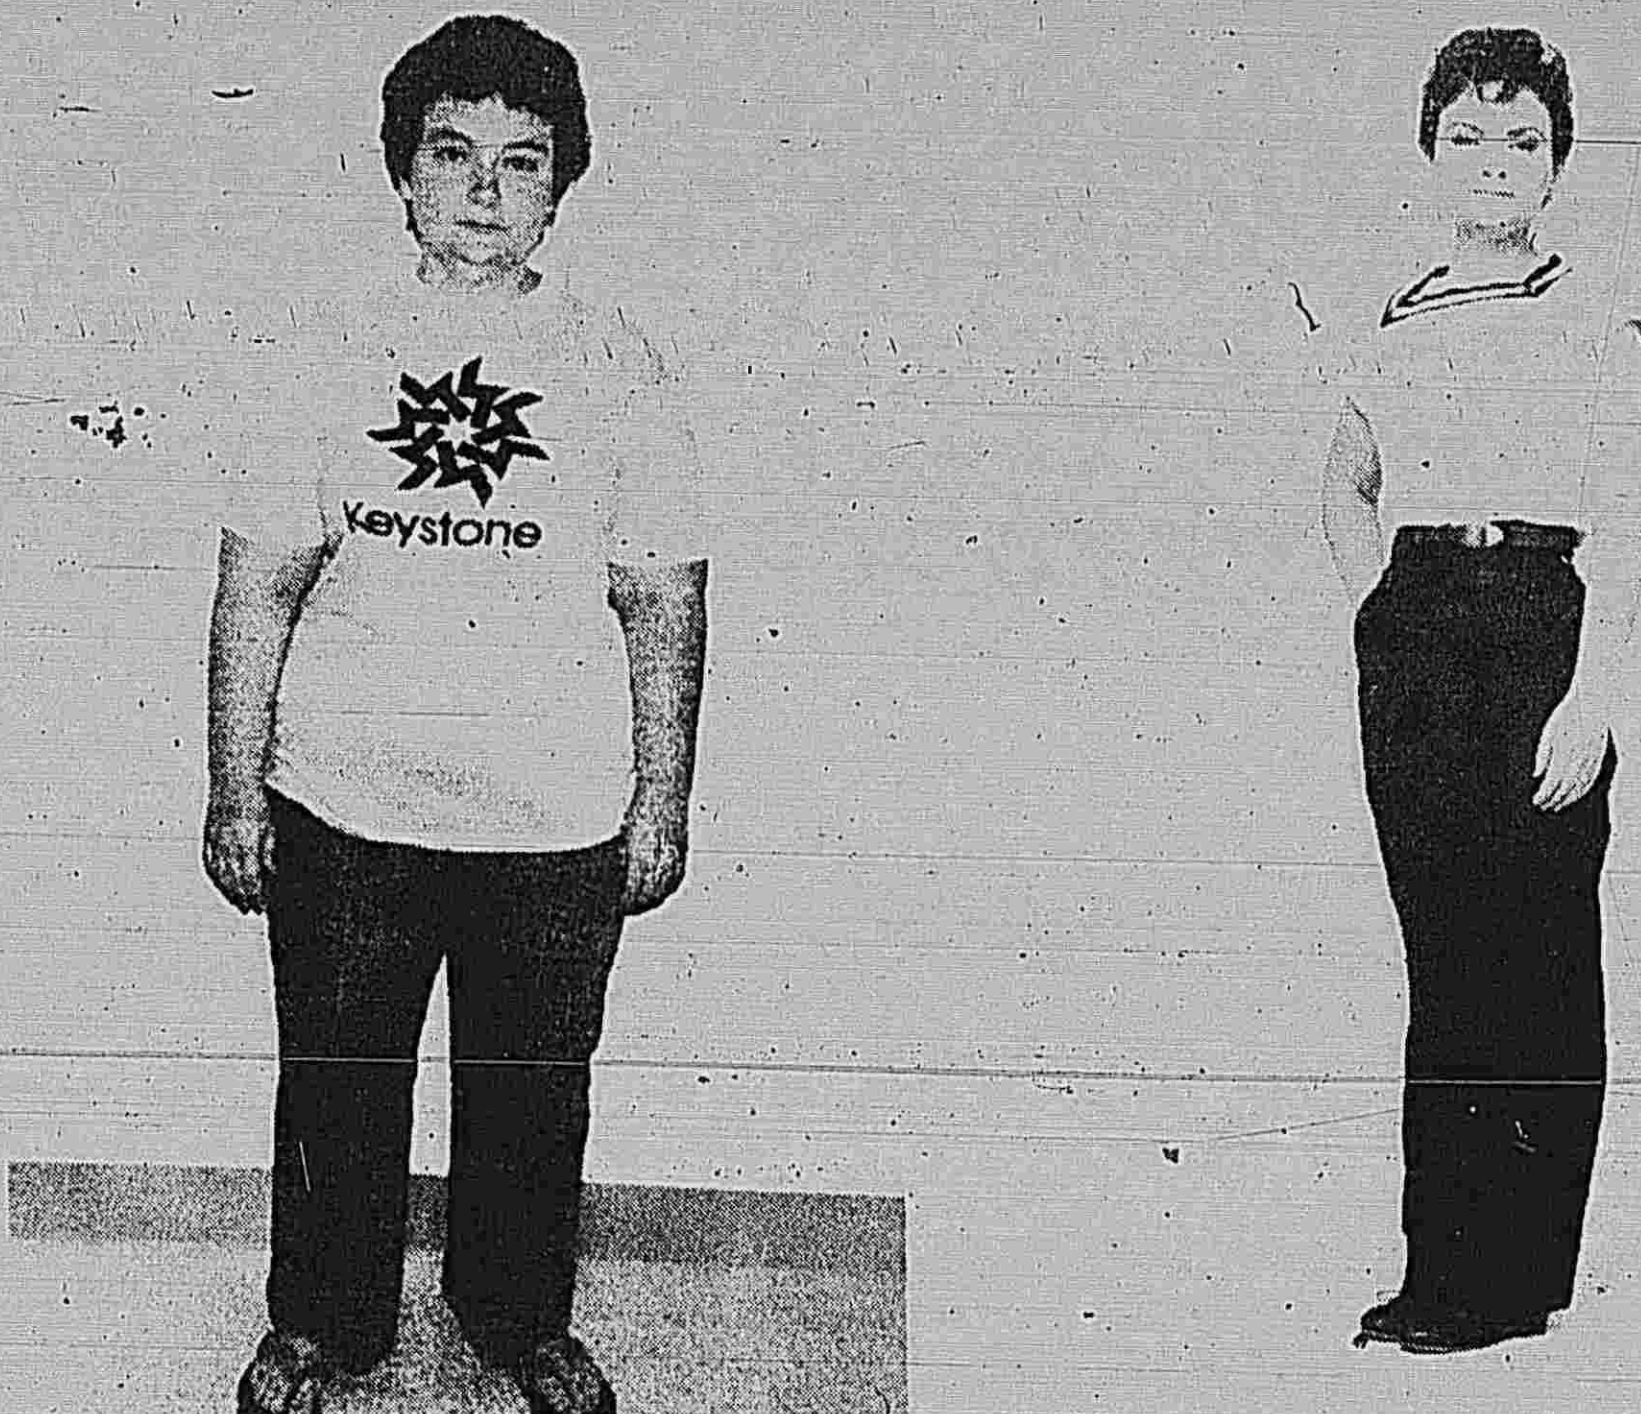

There's some other great changes for Cheryl. "I always hated to buy clothes," she says. "Now, I'm acquiring a whole new wardrobe. Last week for the first time in my life I bought a pair of shorts. I have a new bathing suit too. I never went swimming much before, but I will now."

Incidentally, Cheryl now wears a size 3! "I like myself a lot more," she adds. "And people treat you differently when you're thin. I feel better because I know I look better. People react to my new self-confidence."

Cheryl says she has recommended Nutri/System many times. "Once you make the personal commitment to lose weight, then there is no easier way than Nutri/System."

Thousands of personal endorsements from satisfied clients like Cheryl, have made Nutri/System one of the largest weight reducing programs in the nation.

## Vikings lead

The Antioch Viking heavyweight football team traveled to Round Lake to play the Spartans on Sunday, Oct. 10.

The Spartans were tied with Antioch for the lead of the North Division of the Northern Illinois Junior tackle Football League with a record of two wins and two losses.

When the dust settled, Antioch had won a hard-fought football game, 31-6.

The defense dominated most of the first quarter until Round Lake fumbled the ball and Defensive End Lance Bestland recovered the fumble. After a 25-yard run off tackle by John Payne, Bestland took an option pitch around end 20 yards for a touchdown.

A fake kick on the extra point and a pass from Mike DoBosh to Kirk Toth converted the extra point to make the score Antioch 7 and Round Lake 0.

Again stout defensive play by both teams dominated until late in the second quarter when DoBosh threw a pass to Troy Schroeder who ran the ball 85 yards for a touchdown. Steve Pappadakis added two with a good kick.

Antioch was scoreless in the third quarter but dominated the fourth with two touchdowns, one by Joel Berndt and the other by Bestland. Pappadakis made two good kicks for four more points.

The league-leading Vikings play at 6 p.m., Saturday, Oct. 16, against Fox Lake.

In Viking fatherweight action, the Raiders and the Seahawks tied 13-13, on Oct. 10. On the same day, the Eagles scuttled the Falcons, 28-0, and the Warriors trounced the Buccaneers, 19-0.

MAHAR IN MONEY — Touchdown run by John Mahar, Sequoit running back, puts Antioch on scorebaord as Sequoits beat Grayslake, 28-14, on Saturday, Oct. 9. — Photo by Steve Young

## Sophs win two

Antioch's sophomore team swamped the Wauconda sophomore team, 37-7, in a game played on Oct. 2. Eric Berkhaug's one yard run and John Riedlen's good point-after-touchdown run were responsible for Antioch first score in the first quarter.

Mike Dydo's one-yard run gave Antioch 15 points to Wauconda's seven in the second quarter. John Geier took an eight-yard pass from Berkhaug over and kick was good.

The last two touchdowns were made by Bob Johnson, with a 15-yard run and Gus Mancuso gave the finishing

touch with a 17-yard run.

In Sophomore B-game action on Oct. 4, Antioch topped Libertyville, 27-10. John Geier took a 15-yard pass from Ted Larkin for the first score.

Pat Bruks pulled a double couple when he not only made a three-yard run for the touchdown but also ran over for two points after.

Credit for the third touchdown goes to Ted Larkin and Jack Davis took the pigskin 13 yards for the final touchdown.

# Haley's attorney still not ready

Florida authorities said that, for a second time, William Haley's attorney, Robert Foley, appeared at a calendar call in a West Palm Beach Court, and entered a stipulation which had the calendar call continued until Dec. 10.

At that time the courts will try for a third time to see if both the prosecutor, States' Atty. Maurice Hall, and Haley's attorney are ready to go to trial.

Haley will face charges of marijuana trafficking. Hall claims the prosecution has been ready to go to trial since the first calendar call last summer.

Haley, 41, Antioch, has been implicated for a second time in dope trafficking. The first charge was over two years ago, in Puerto Rico.

Those charged were dropped and the second set of charges were filed when Haley was named by two men, who were arrested at a West Palm Beach, Fla. airport after the plane they were flying was confiscated in April 1981 by federal drug authorities with \$476,000 worth of marijuana aboard.

Haley, who claims to have been in Illinois at the time, was named by Robert Hoffman, 35, Lake Villa, and Woodrow Wilson, 30, Colo., as the person who paid to have the marijuana delivered.

The plane, owned by William Zeigler, Round Lake, was later released and re-confiscated at an airport in Ft. Meyers, Fla., in January, again by drug authorities, because of traces of marijuana found aboard. At last word Zeigler had not recovered his plane.

## Flow study

(Continued from Page 1)

Little adds that if Waste Management is allowed to move the land as they plan, the water will run in a direct path to Sequoit Creek.

On Monday, Oct. 4, Little, Village Atty. Ken Clark, Donna Henderson, Terry Eckert and Marilyn Shineflug told the county of their concern about flooding and the disturbance of the water elevation in Little Silver Lake, and other things because of the water flowing directly into Sequoit Creek instead of taking the roundabout path it now does.

"The water run-off will head straight for the village and we have enough flooding in the

spring as it is," said Little.

"The papers that Waste Management filed with the county tell an entirely different story than their experts did during the land-fill fight," Little explained.

Trygve Bakum, vice-president of Waste Management, confirmed that the disposal company had requested and received such a permit "a long time ago."

When asked if his company had been told by the county to have a water-flow study done, he said, "I don't know what you're talking about. Obviously no one's asked us for anything."

## Antioch women enjoy

The Antioch Women's Club held its opening luncheon and guest day on Oct. 4 at the Holiday Inn, Gurnee. Cocktails and luncheon were followed by a brief business meeting conducted by President Florence Pedersen.

Program and hostess chairman Janet Brook and social chairman Bette Darby, together with their committee: Florence Pedersen, Ann St. Pierre, Carol Hamlin, Eileen Zannini, Eileen O. Lewin and Ethel McLellen, were congratulated for their arrangement of a delightful menu and excellent program.

The Variations, (six women from the Schaumburg-Roselle area) presented a program entitled What Would We Do Without Music.

Their vocals and music from yesterday, today and Broadway captivated the audience.

and were a wonderful ending to a most memorable afternoon.

## Resort vandalism

(Continued from Page 1)

damaged but broken into and lamps and clothing and other possessions stolen.

Johnson claims this is just one of many such incidents she has reported to the sheriff's department in the last several months and, although they tell her they know who's responsible, they don't seem to be able to make any arrests.

Johnson claims she has had to hire help to patrol the parking lot but

damage is done whenever it is not being guarded.

"On Oct. 2, we had to make three phone calls to the sheriff and could have been killed if we had been hurt before they arrived almost one-half an hour later," she reported.

"Other businesses in the area have had such incidents," she added.

"I've lost a lot of customers because they are afraid to park at my place. If this keeps up my place will be worth nothing," she complained.

## Scouts to go Italian

Antioch's Boy Scout Troop 92 will hold their 22nd annual spaghetti dinner at the Antioch Moose Lodge, 884 Main St. from noon to 7 p.m. on Sunday, Oct. 17.

This troop tradition has become the major means of financing campouts and fieldtrips. The chief chef, Dick Stroner, has headed the kitchen crew for a phenomenal 21 years.

His serving assistants Scoutmaster Bernie Dost and Asst. Scoutmaster, Tom Aschbacher have also compiled and enviable record culinary collaboration over the years.

The "all you can eat" dinner features spaghetti, meatballs, French bread, coleslaw, cake and beverage, and will be served by Troop 92 Scouts. Donations are \$2.75 per person; children five years and younger are free.

People bringing their own containers can obtain this feast on a "take-out" basis. Tickets can be purchased at the door or from one of the scouts.

The troop's mother's auxiliary will give prizes at the dinner. Amongst the many fabulous prizes is a Schwinn Phantom BMX dirt bike with Mag wheels, donated by Mr. Chuck Han-

son of Antioch Schwinn Cyclery.

Troop 92 and the Antioch V.F.W. have joined together to conduct an "on-going" newspaper drive. The public can drop off their bundled newspapers anytime at the semi trailer parked at the entrance of the Antioch Public Works on Holbek St., just west of the Hiram But-trick Sawmill.

**Ask Dr. Sven**  
by Robert T. Sven B.S.D.D.S.

### IMPORTANCE OF BABY TEETH

Q. Do baby teeth affect the second set of teeth?

A. Yes, baby or primary teeth have a great deal to do with a child's future dental health. Properly maintained, they form the support that permits the jaws to develop correctly and they guide the eruption of the permanent teeth. Without that support, the new teeth can grow out in haphazard fashion. An abscessed baby tooth can damage the permanent tooth below it. If baby teeth are buck from thumbsucking, permanent teeth can grow out the same way. And if a primary molar is lost prematurely, the space must be held open for the permanent tooth by a space maintainer constructed by the dentist. Otherwise, surrounding teeth can move in and close up the space. Under normal, cared-for conditions, baby teeth appear and later shed in a well-ordered, easy way.

THANKS to the town of Antioch. We can't even begin to find the words to convey to you our sincerest appreciation for all the deep concern & sorrow you have all shown in sharing our tremendous loss.

Gus was always so proud to live in Antioch & he truly loved its people. He thoroughly enjoyed being involved in everything he did and always strived to make Antioch the beautiful community that it is.

Being chosen Antioch's 1982 VIP was one of the greatest honors he has ever received. It made his last year one of the best. He was so proud & honored.

We'll always have cherished memories of Gus - they will never die.

On behalf of the entire Costoff family, please accept our sincerest gratitude for everything you have done for our family in our time of need. God Bless you all with health & happiness.

## Lower Grade PTO to meet on Oct. 26

Antioch Lower Grade School's first PTO meeting for this school year will be held on Tuesday, Oct. 26, at 7 p.m. in the school's gym.

A flag will be presented to the school by American Legion Auxiliary 748 President Betty Davis and Vice President Iris Schroeder.

The main topic of the evening will be How to Improve Our Photography

Skills. This will be given by Ed Bakshis of EJ's Camera.

Parents who need to bring their children along are welcome to do so. There will be someone to supervise children two years through fifth grade at the school in the music room. Reservations must be made for the children by calling the school at (312) 395-0845 in advance.

## St. Ignatius parish sets turkey dinner

St. Ignatius Episcopal Church, on Main St. in downtown Antioch, will be holding its annual turkey dinner on Sunday, Oct. 24, in the church hall. Hours are 1:30 to 6

p.m.

Tickets are \$4 for adults and \$2 for children 12 and under and are available from church members or at the door.

## DeFosse has a plan for employing America

Dan DeFosse of Antioch, Democratic candidate for congress in the 12th district, has announced a program which he says will provide for a meaningful expenditure of funds for the "reemployment of America."

DeFosse said the program he outlined would be more effective and replace the existing CETA programs currently operating.

"Little, if anything, is being done to help our labor force go back to work. It is my contention that the federal government can spearhead a concentrated effort to reduce the swelling ranks of the unemployed while at the same time, increasing productivity and restoring faith in government," said DeFosse.

"As an example, federal funding could be effectively utilized in providing facilities, on-the-job training programs and the like allowing for teachers, supplied by private industry, to reeducate, retrain or reorient skilled workers to make it possible for these people to be phased in to other industries," said DeFosse.

"The auto industry has a multitude of skilled labor currently unable to work. The computer industry,

along with electronics firms and others, have a need for such skilled labor. Can we not, through a coordinated effort of all parties involved, reemploy this valuable resource," questioned DeFosse.

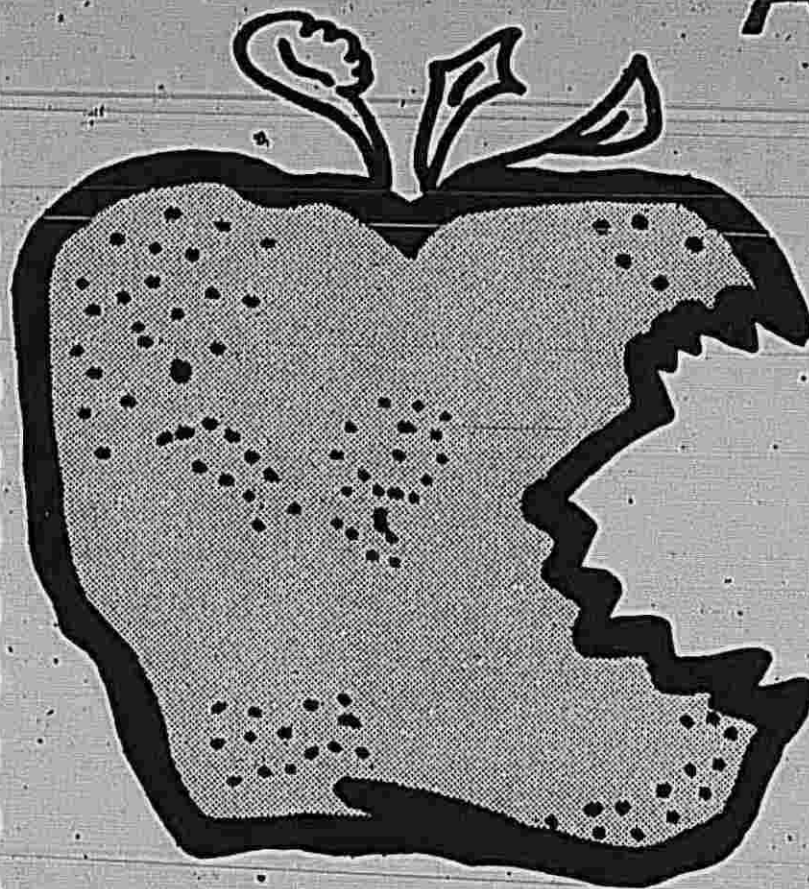

"The end result of this successful reemployment program would be two-fold. First and foremost, we would reduce the number of people in this country who are collecting unemployment benefits. We are all familiar with the fact that this is placing a tremendous burden upon the nation's budget, and contributing to our huge national deficit.

"If, at the end of this benefit period, a worker is still unemployed, oftentimes they then proceed to collect welfare, further draining our economy.

"The reemployment of America will help restore people's faith in government. We must show our population that government does care," said DeFosse, "that we are making positive efforts to confront the problems we face today. The people of the United States need good, responsive government. We must provide good government, reemployment is a step in the right direction," he added.

# 4 Play Contest!

**Listen for 4 songs in a row,  
and call - in to WIN!**

**A Magnavox "SKYWALKER" AM/FM  
And Either A STEREO  
Chicago Holiday Inn Fantasy Weekend  
Or A  
Conrad Hilton Rainbow Family Holiday**

#### **Holiday Inn Fantasy Weekend**

- Accommodations For Two Nights
- Free Parking
- Complimentary Bottle of Champagne
- \$25 Fantasy Money for Your Dinner Pleasure

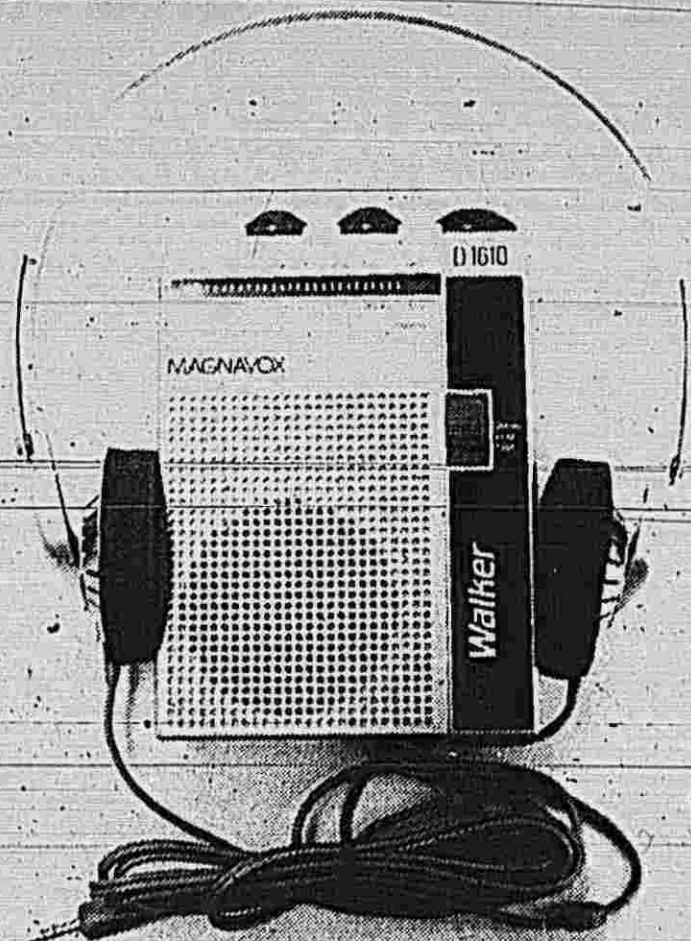

#### **Conrad Hilton**

- Accommodation For Two Nights
- Free Parking
- Welcome Fruit, Wine & Cheese Basket

#### **RULES:**

1. Here's How To Play: Listen for WXLC to play four specific songs in a row in the exact order designated by the station announcements. Then call WXLC at (312) 662-6400, tell us you heard the WXLC Four-Play on the air. If you're the fifth caller, you win. Should there be no fifth caller by the end of the fourth record, the chance to win is terminated. Contest ends October 29, 1982.
2. Winners must provide identification and sign a receipt and release form releasing WXLC, INC., its officers, directors, employees, and sponsors from any liability, loss, cost, and expense as a result of participating in this contest and/or using the prizes.
3. No purchase necessary. Void where prohibited. All decisions of WXLC are final. All taxes are the responsibility of prize winners.
4. Employees of WXLC and their immediate families are ineligible to participate.
5. Prizes must be claimed at WXLC, 8:30 a.m.-5:00 p.m., weekdays, except holidays.
6. There are six prize packages consisting of a Magnavox Skywalker AM/FM Stereo Receiver and either a Downtown Chicago Holiday Inn Fantasy Weekend (to be used by November 30, 1982) or a Conrad Hilton Rainbow Family Holiday (to be used by December 31, 1982). Package details available at WXLC.

**Listen To WXLC (FM 102.3) For Details**

R49-43-11

## Notices

## NOTICE TO VILLAGE OF ANTIOCH RESIDENTS

The Village water dept. will be flushing the water hydrants. This main flushing will remove most of the natural minerals, such as iron that are harmless, but will discolor the water. If this happens, use as little or, if possible, no water for 1/2 to 3/4 of an hour to insure that the water has settled down and that the discoloration is not drawn into your water system. Flushing will be done between the hours of 11 p.m. and 6 a.m., starting October 17, 1982 on the east side of Main Street and continuing until finished.

## —LEGAL— ASSUMED BUSINESS NAME CERTIFICATE

NAME OF BUSINESS: Al's Citgo Service  
TYPE OF BUSINESS: Gas Station  
ADDRESS OF BUSINESS: 561 Main Street, Antioch, Illinois 60002

TO: Clifford E. Wulff, Arlene J. Wulff, their spouses, heirs, devisees, successors or assigns, if any; OC CUPANTS or PERSONS in possession and UNKNOWN OWNERS or PARTIES interested in the hereinafter described real estate.

## TAKE NOTICE

County of Lake  
Date Premises Sold: January 28, 1980  
Certificate No.: Book 417 Parcel 766  
Sold For General Taxes (Year): 1978

## THIS PROPERTY HAS BEEN SOLD FOR DELINQUENT TAXES

Property located at: 27754 Grass Lake Road, Spring Grove, Legal description or Permanent Index No.: P.I.N. 01-27-309-015.

This notice is to advise you that the above property has been sold for delinquent taxes and that the period of redemption from the sale will expire on January 21, 1983, as extended.

This notice is also to advise you that a petition has been filed for a Tax Deed which will transfer title and the right to possession of this property if redemption is not made on or before January 21, 1983.

This matter is set for hearing in the Circuit Court of this county in Waukegan, Illinois, on January 24, 1983. You may be present at this hearing but your right to redeem will already have expired at that time.

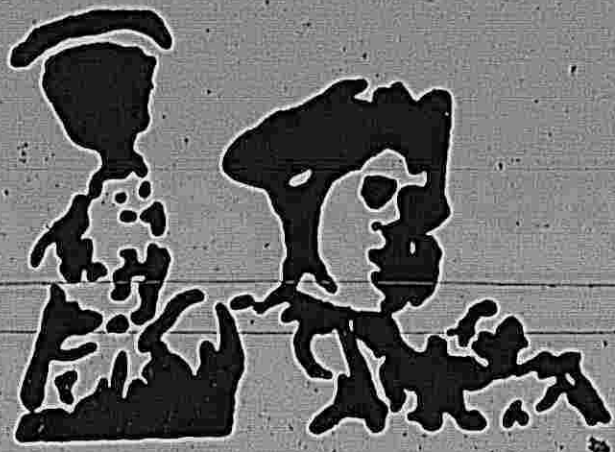

## YOU ARE URGED TO REDEEM IMMEDIATELY TO PREVENT LOSS OR PROPERTY

Redemption can be made at any time on or before January 21, 1983 by applying to the County Clerk of Lake County at the County Courthouse in Waukegan, Illinois.

For further information contact the County Clerk.
